PRESS RELEASE

LEVADIA, 5/7/2017

INTERNATIONAL DISTINCTION FOR THE COMPANY

ISOSTEVIA

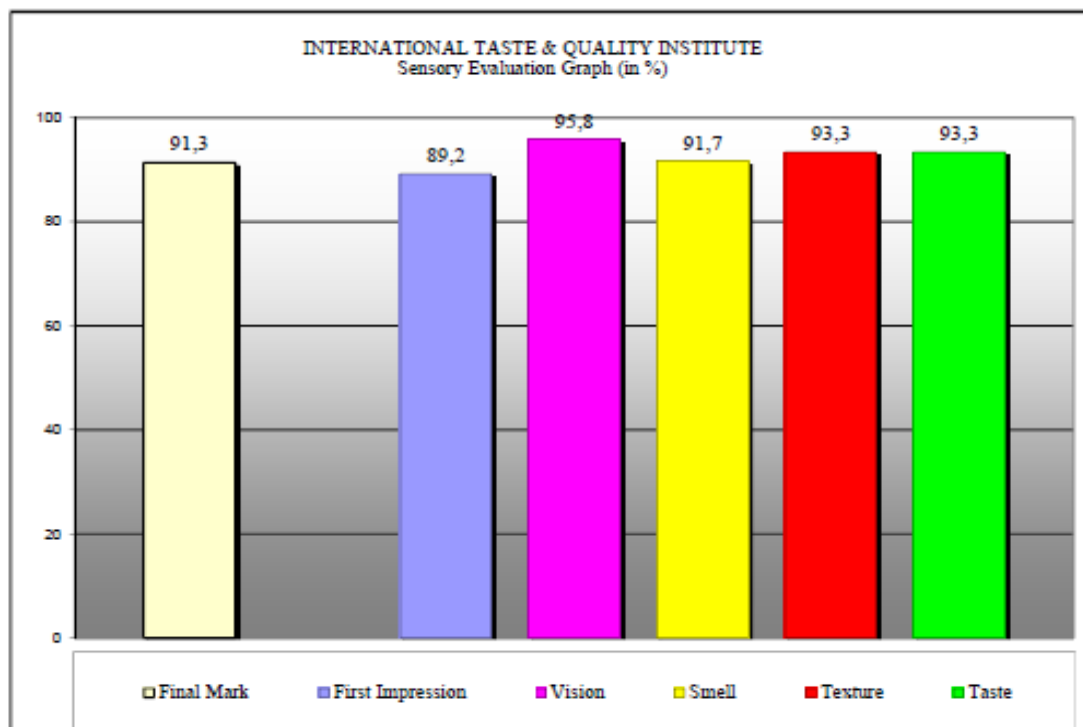

In Brussels, on June 14th, 2017, the company **isostevia-Panagota Bros GP** was distinguished for the excellent quality and taste of its products. **Isostevia** received the **Superior Taste Award** by the **International Taste & Quality Institute (iTQi)** with **3 Golden Stars** and a global mark of **91,3%** for the product **isostevia**, the natural stevia sweetener. This is the **first time** that a stevia sweetener product obtains the **iTQi Superior Taste Award with 3 Golden Stars**, which distinctly proves the company's motto... **the most delicious!**

The **International Taste & Quality Institute (iTQi)** based in Brussels, is the world's leading organization dedicated to testing and promoting high quality food and drink products from around the world. The **judges**, who are carefully selected by **iTQi**, come from **17 different countries** and are

members of the greatest European culinary and sommeliers associations.

The "**iTQi Superior Taste Award**" is the only quality seal in flavor granted by opinion formers and Michelin awarded Chefs and Sommeliers, based on their judgment and without the provision of basic information about the product.

Εικόνα 1. Αποτελέσματα Αξιολόγησης **isostevia**

The **isostevia** sweetener, with glycosides from the extract of stevia plant, is **fully natural product**, in crystal form, with no calories and amazing taste. It does not contain artificial sweeteners and it is suitable for those who have chosen a healthy lifestyle, without sugar.
